Financial Services & Fintech

Our team advises our clients on banking and financial contracts, financing of imports and exports, derivatives, financing of projects and infrastructure, trusts, structuring of financial operations and debt restructuring.

This team also specializes in payment services providers, microcredit, e-commerce, digital platforms for investments and payments, Fintech start-ups, service providers for the Fintech ecosystem, and crypto assets.

In addition, the Financial team has a long and wide expertise in foreign exchange and capital controls, banking regulations of financial and non-financial entities and of incumbents of the fintech environment, capital markets and anti-money laundering laws. Our team also collaborates and supports the corresponding international trade, customs, taxes, intellectual property, compliance, and consumer protection groups.

Our foreign exchange controls experts represent clients in criminal foreign exchange proceedings and lawsuits before the Central Bank of Argentina and criminal economic courts.
