RESTRUCTURING & INSOLVENCY

Restructuring & Insolvency

Debt restructuring is in our DNA. Richards, Cardinal, Tutzer, Zabala & Zaefferer S.C. is widely experienced in representing clients in insolvency and reorganization proceedings. Our cross-functional team of specialized lawyers is qualified to deal with complex and sophisticated situations in companies undergoing financial difficulties.

Our Firm has broad experience advising companies under financial distress that may attempt to restructure its debt under an out-of-court restructuring plan (acuerdo preventivo extrajudicial) or a concurso preventivo (a reorganisation proceeding, similar to the chapter 11 of the US Bankruptcy Code). We have acted as insolvency advisors in big and complex restructuring processes in Argentina.

We also represent creditors dealing with companies facing financial crisis. Our clients include banks, investment funds, bondholders, unsecured and privileged creditors, borrowers and lenders, shareholders, among others.
